Requests, pending final orders of Govt, that the Supdt Govt Stty may supply blank forms & registers required by the Palace to the Huzur Secy Dilkusha from the same No 70 dated 17th July 1914. In reply to sl 3 States that the forms and registers will be supplied if ordered by Govt.
5	From the D.O. reply of the Private Secretary to the Dewan to the Huzur Secy, it will be seen that the Stty Supdt anticipates certain difficulties in complying with this requisition for the supply of blank forms to the Palace Mahanavat Deptt. In connection with the question of stocking of departmental forms in the Stty Depot to comply with stray or supplemental requisitions the Supdt stated that forms are not stocked ordinarily and when annual requisitions for them are received from the several departments the required quantities are printed & supplied & when supplemental requisitions are recd the requisite number of copies have to be printed & supplied anew. (13)	It is a point for consideration whether the Palace dept should not bear the cost of these forms as in the case of all other Depts.
(15)	If it is decided to supply P.W.D. forms to the Palace Maramat dept free of cost it may perhaps be useful to know beforehand what the supply will cost Govt.
(16)	As already noted the Palace Controller is entitled to the free supply of stationery articles and general forms under Rule 4 appendix B of the Stationery rules.
(17)	The Huzur Secy is not an officer under the above rule & appendix who can send indents direct. It is the Private Secy who has been indenting till now.
(18)	It is not known if the Palace Maramat dept is under the Palace Controller or the Huzur Secy.
(19)	It has also to be ascertained whether the P.W.D. Code forms & registers will suit the requirements of the Palace Maramat dept or require modifications. Subd with reference to Dewan's orders in paragraph 2 and page 2 of notes above.

My dear D'Souza,

Sir,

With reference to your Memo No.1248 dated 9th September 1914 forwarding Government D.O.No.G.2698 dated the 8th. idem, regarding the supply of P.W.D. forms and Registers to this Department, I have the honor to state that the forms used in Government are quite suitable to the requirements of this Department and they may be kindly ordered to be supplied annually on indents from this Office. The forms we require here being the same as those current in Government. I see no necessity to the sample forms; however as many forms as are available here, are herewith sent as sample forms which, if deemed necessary, may be kindly forwarded. Indents for the supply for the year 1914-1915 have already been submitted, but only a few forms have since been received. The balance due may kindly be ordered to be supplied early. The number of forms and registers that may be required year by year may be approximately the same as those usually supplied to a second class Division in Government.

2. The delay in replying the memo is due to want of sample forms which had to be got from P.W.D. Divisions here and may therefore be kindly overlooked.

I have the honour

Dear Mr. Hiriyannaiya,

A number of P.W.D. forms are required annually for the use of the Palace Maramath Department. It would cost the Palace a lot to get them printed specially for the Department but the Government Press could supply the forms we need without much extra expense or trouble to them. So would you mind submitting the matter to the Dewan and issuing the necessary instructions to the Superintendent, Government Press to comply with the requisitions for the P.W.D. registers and forms received from me ?

Dear Mr. Mirza,

I received your D.O. letters of the 3rd and the 14th instant, regarding the supply of Public Works Department forms and registers to the Palace Maramat Department. Under the Dewan's direction, we were consulting Mr. Yates in the matter. The forms could not be supplied at once as they were all out of stock. I do not know if the registers and forms now required are the same as those in use in the Government offices. Mr. Yates pointed out certain difficulties in complying with the requisition; but he has been requested to print and supply as early as practicable the forms and registers urgently wanted, on receipt of an indent from the Palace Office. Sample forms may also be kindly sent to Mr. Yates. I shall write again in the matter.

Please overlook delay.
